All missed ballet classes must be made up in either the level above or below
All injuries to be documented in writing to the office

New This Year * Competitive Program**

New to Fusion this year is our "Competitive Program"
These dancers will branch out of our recreational program to the competitive dance world without the commitment level of a "company dancer". These dancers will perform in our preview show and a 1-2 local competitions. No company fee required, no mandatory classes outside the recreational jazz class required.

Competition Fees

Fusion Force aims at doing a minimum of 4-5 competitions between February and May with the possibility of finals in July. Competition entry fee prices are based off the previous year and are subject to change. Competition forms and fees will be due mid October 2022 thru to January 2023. All competitions and competitions paid in US funds are subject to additional fees related to the exchange rate.
Competitions may require earlier or later registration. All competition fees are 100% non-refundable. All competition fees and forms are due at the required date with NO exceptions. All tuition, registration, costume and private lessons must be paid up to date before any student is able to attend a competition. A 10% late fee will be applied to all accounts.

Company Fee

A company fee of \$100.00 per student will be charged at the time of registration. This fee includes competition expenses, travel expenses, creation/purchase and transportation of props and all additional administrative work. All company fees are non-refundable.

Competition Accounts

Each company student at Fusion has their own Competition Account set up through the office. This account allows for easier transactions between fundraising, competitive dues, competition winnings, conventions etc. Students may participate in studio fundraisers or individual fundraisers at the studio's discretion. All fundraising monies are non-refundable. Monies are to assist with competition fees, conventions, masterclasses and travel expenses. Please note receipts must be submitted for travel expenses. All monies in any accounts for the 2021-2022 season will be rolled over into the students new account for the 2022-23 season. If a student is no longer in the company dance program, monies raised will be put towards transaction, banking and mailing fees. Any significant amount will be divided among the current company members.
*All competition winnings will be automatically deposited into the students account with the exception of a 10% admin fee.

Solo, Duo's, Trio's and Private Lessons

Private Lessons may be used for solos, duos, trios, extra practice or technique. This transaction takes place between the teacher/choreographer and the student. Privates will take place at the teacher's convenience pending the availability of the studio. All outside choreographers must be approved by Fusion Force before any private lessons take place.
Individual teachers will invoice for these services. The studio charges a \$5.00/30 minute rental fee. You must be registered in the class of the chosen discipline. A contract must be signed by all parties and handed into the office prior to any private lessons.
ALL PRIVATE LESSONS MUST BE BOOKED ON-LINE
PLEASE DO NOT PROCEED WITH ANY BOOKINGS WITHOUT FIRST DISCUSSING WITH CHOREOGRAPHER/INSTRUCTOR
